

Could you be a
Street Friend?

STREET FRIENDS

Help us spot problems
on your street

Street Friends

We're looking for 'Street Friends' – people who, like us, care about the street where they live or a street they regularly use, and are willing to look out for problems and report them to us.

Having clean and safe streets is important to all of us. We work hard to provide street services – for example, we:

- collect your waste and recycling bins
- sweep the streets
- remove graffiti, fly-tipped rubbish and dumped vehicles.

Our inspectors regularly walk the streets to look for these and other problems, including broken paving slabs, potholes, fly-posting and littering. But with over 3,000 streets in the borough, finding the problems as soon as they occur can be difficult.

That's where you come in. Why not sign up to be a Street Friend, and help us spot the problems on your street?

Street Friends

Being a Street Friend doesn't have to be hard work

All we'd like you to do is fill in the form at the back of this leaflet and send it back to us. Then report any problems you spot when you're out and about – when you're on your way to work, the shops or the park, for instance. Just tell us what the problem is and where it is, and we'll do the rest!

You can help us by reporting:

- graffiti and fly-posting
- dumped rubbish (fly-tipping)
- dumped vehicles
- overhanging vegetation
- litter and dirt
- dog fouling
- faulty street lights
- road and pavement problems.

When you call, you'll need to let us know you are a Street Friend.

Street Friends

Organising clean-ups

If you'd like to do more than just report problems, how about getting together with your neighbours to clean up your local area? Just tell us what you want to do and, where possible, we'll help you organise it and provide the tools and equipment.

We can provide:

- **equipment**
 - including litter-pickers and bags
- **contractors**
 - on hand to help with organised clean-up events
- **graffiti removal kits**
 - including paint and brushes.

To help you plan and organise your project, we'll make sure that one of our specially trained officers will be available to assist you. All you need to do is call us on **020 8313 4621**.

What else can we do to help?

As part of a planned Street Friends project, we can arrange for our contractor to carry out specific work in your street. We could even do a 'deep clean' of your street, where we will clean drains and carry out repairs, as well as sweeping the road and pavement.

Some of our residents and residents' groups are already making a great difference to their neighbourhoods. Join in with your local community, and join us in building a better Bromley!
